

Department of Chemistry

Annual Report 2024-2025

The Department of Chemistry had a hectic period of activities during the academic year 2024-2025.

To begin with, on 5th June 2024, the Department of Chemistry in collaboration with IQAC of the college organised a quiz competition to emphasize the crucial role of preserving our nature and environment. Students from various disciplines participated in the programme. Winners were suitably honoured with prizes .

On 7th August 2024, the Department of Chemistry & Physics jointly organized an invited talk in the college library hall and resource person on that occasion was Ms. Sindhu. C. N, HSST, Govt. CMHSS Kuttur, Thrissur on the topic “The correct way of reading chemistry and physics books”. The session was presided over by the Principal, Prof. M N Mohammed Koya and the UG students of both physics and chemistry benefited from the talk.

On the 9th August 2024, a quiz competition was conducted under the auspices of chemistry and physics department to observe the “Nagasaki day”. Students from various departments of the college participated in the event. The quiz programme was conducted by the faculties of chemistry and physics department jointly. Prizes were distributed to the winning students by Principal Prof. M N Mohammed Koya.

To commemorate the “ mole day”, the special talk and power point presentation competition titled “The mole –the unseen hero of Chemistry” was held on 23rd October 2024 in our seminar hall. The session was inaugurated by the Principal and three students of UG chemistry excelled their power point presentation.

Our department in collaboration with IQAC and Film Club conducted a mobile phone photography contest to build awareness of nature and exploring the beauty of our earth. The programme was announced with a submission deadline of November 24 and judgements were done by the Principal and Sri. Mohammed Shaheem of English Department. Ms. Jahana Sherin of MA English scored first prize and were suitably honoured with prize.

A presentation talk “Odyssey of Hydrogen” was conducted by our department under the auspices of IQAC. The event to place on 30th January 2025 in the seminar hall. Students of both UG & PG were present on the occasion to witness the presentation talk delivered by Ms. Fathimathul Nabla of second semester M.Sc. chemistry
